Your children have such tremendous potential and are clearly supported to achieve this by a highly skilled and enthusiastic staff team. I look forward to working together in partnership to build on the very strong foundations of this school to reach even greater heights."

Meeting the School Council

Part of Mrs Crowther's interview in late January involved meeting the School Councillors who asked her about her plans for the school. The Councillors were thrilled to be amongst the first to know that she had been appointed and enjoyed having lunch with her on Friday last week.

Mrs Crowther hopes to visit both sites during tomorrow's Open Afternoon.

Helen is currently Deputy Headteacher at Beech Hill School, Halifax and takes up her post after the Easter break.
